

Sairam Nayak Frontend Developer

✉ sairamn542@gmail.com ☎ 8658965977 📍 Hyderabad, Telengana 500045

SUMMARY

A passionate and self-motivated web developer with a strong foundation in front-end and back-end technologies. Proficient in **HTML, CSS, Bootstrap, JavaScript, React.js, Node.js, MongoDB, and Next.js**. Skilled in building responsive and user-friendly web applications with a focus on clean code and modern design. Looking to contribute to dynamic projects and grow as a developer in a collaborative environment.

SKILLS

Frontend : React.js, Next.js, Javascript, HTML5, CSS3, SASS, Bootstrap5

Backend : NodeJs, Express JS

Database : MongoDB

Tools & Environment : VS Code, Github, NPM

PROFESSIONAL EXPERIENCE

Software Intern, Naresh IT

Mar 2024 – present
Ameerpet, Hyderabad,
India

- **Developed** and **optimized** responsive user interfaces using **React.js, HTML, CSS**, and **Bootstrap**, enhancing user experience and application performance.
- **Implemented** dynamic web components and **interactive elements** with **React.js**, improving user engagement.
- **Created** and **maintained** modular **frontend components**, ensuring code reusability and scalability. **Conducted** cross-browser testing and **debugging** to resolve compatibility issues and improve functionality.
- **Showcased** project contributions on **GitHub**, including a portfolio of frontend development work with detailed documentation and version control practices.

PROJECTS

Airbnb clone

- Developed an Airbnb-style project independently using React.js, focusing on efficient front-end development.
- Employed Styled Components for a consistent design throughout the application.
- Managed the entire project solo, utilizing Git for version control and enhancing web development skills.
